

Pinchot Family Medicine
7475 Carlisle Road
Wellsville, PA 17365

Dear Patient,

After 10 years of solo private practice, I am closing Pinchot Family Medicine. Since the passing of the Affordable Care Act, there have been increasing regulatory burdens placed on medical offices which challenge small practices.

It has been a great honor and privilege to provide medical care for you and the families of our community.

I have accepted an offer from the University of Pittsburgh Medical Center to be a Medical Director for their Memorial Health System in York. UPMC is dedicated to improved patient centered health care delivery.

I will continue practicing at their Greensprings office and would be honored to continue caring for you and your family.

Pinchot Family Medicine will be open for appointments until Friday May 25, 2018. Unless you request to pick up your records, all records will be transferred to Memorial Family Medicine at Greensprings, a UPMC Pinnacle practice: 1232 Greensprings Dr, East York, PA 17402. Phone: (717) 755-6166.

Two other offices you might consider if my Greensprings location cannot meet your needs.
